**BRITOMAC**  
**Herd Reduction Sale**

**ARMINGTON  
ILLINOIS**

**Tuesday, September 28, 1948**

***45 Lots***  
**FROM ONE  
OF THE BEST  
HERDS IN  
ILLINOIS**

Featured in the sale will be the get and service of Imp. Morphie Command by Bapton Commando by Bapton Upright. This is Scotland's finest bloodline.

Approximately three-fourths of the members of one of the strongest herds in Illinois are to be sold in this herd reduction auction. The best evidence that they are the right kind to buy is the fact that these cattle have helped to pay for the farm upon which they have been maintained. To those who are seeking the proper tools with which to improve and pay for their land, no other argument is necessary.

# General Information

**TIME**—Tuesday, September 28, 1948. Sale will start promptly at 12:30 P. M. (Central Standard Time.)

**LOCATION**—The sale will be held at Britomac Farm, Armington, Illinois, owned by Carl D. McKenzie. Go west from McLean, Illinois, 5 miles on paved highway 119 to the Britomac Farm sign. Then turn north 2 miles to farm. McLean is on the main line of the Alton Railroad from Chicago to St. Louis.

**TERMS**—The terms of the sale are cash unless other arrangements are made with the owners before the sale commences and the sale manager is notified of the arrangements. Buyers who are not known to the sale manager will bring bank references. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off but we will attend to loading on cars or trucks in compliance with instructions from the purchasers.

**HEALTH**—This herd is Federally Accredited for Tuberculosis. All animals born in this herd have been calfhood vaccinated since 1943. All adult animals have been tested for Bang's Disease within 30 days of the date of this sale. Health certificates will be provided on sale day.

**GUARANTEE**—The standard guarantee endorsed by the American Shorthorn Breeders' Association for sales of Shorthorn cattle shall constitute a contract between the seller and the buyer of each lot. Neither the sale manager nor the clerk of the sale assume any liability, legal or otherwise.

Wherever footnotes appear in this catalog, they were furnished by the seller or written from information supplied by the seller.

**CERTIFICATE OF REGISTRY**—A certificate of registry from the American Shorthorn Breeders' Association Herd Book will be furnished with each lot sold and the certificate will be transferred to the buyer without cost to him. Application for registry, properly signed, will be furnished for each calf sold at foot beside its dam and for each unborn calf sold in dam.

**MAIL BIDS**—Those wishing to buy at this sale who cannot arrange to be present may send their bids to the Sale Manager, Hal Longley of The Shorthorn World, 16 South Locust Street, Aurora, Illinois; Don Longley of The Shorthorn World; Clinton K. Tomson, American Shorthorn Breeders' Association, 7 Dexter Park Avenue, Chicago 9, Illinois; Tom Sherlock of the Drovers Journal; to the auctioneers, or to the owners of the cattle. All bids will be faithfully executed.

**AUCTIONEERS**—Hamilton James, H. P. Miller, Joe Moore.

**SALE MANAGER**—Hal Longley, 16 South Locust Street, Aurora, Illinois.

**NOTE**—We will not be responsible for any accidents that may occur but we will make every effort to provide for the safety and comfort of our guests. Lunch will be served at the farm prior to the sale by ladies of a local organization.

Here are the Britomac kind. Here are the kind that wear their pedigrees on their backs. Here are the kind that help pay for the land on which they graze. The seven young cows in this picture are all daughters of Britomac Jasper. Five of them are included in this sale.

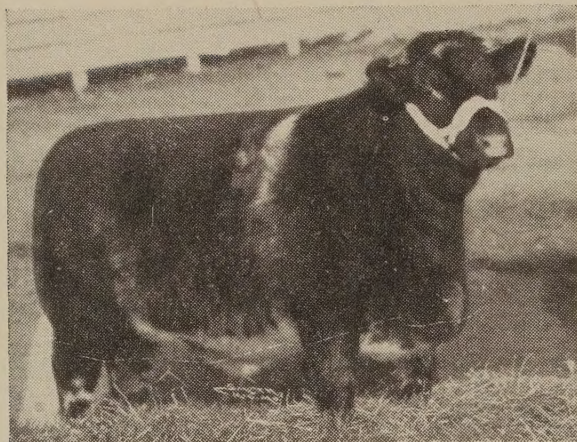

## *Greetings!*

Nothing I have ever undertaken has given me more pleasure than my Shorthorn herd and no branch of my farming operations has proved more profitable. The herd was founded in 1920. During the twenty-eight years of its existence we have followed the plan of never allowing the herd to grow larger than could be accommodated comfortably on our farm. Always our aim has been quality rather than numbers and always we have grown sufficient feed and had sufficient room for the proper development of each calf. I intend to remain on Britomac Farms as long as I live and I intend to continue breeding Shorthorn cattle as long as I live. However, I have reached the time when my load must be lightened. Approximately one-fourth of the herd. . . a member or two of each family. . . will remain on the farm and the balance will be offered in this sale. I prefer to allow those who attend to form their own opinions of the quality of the cattle. The only statement I am prompted to make in this greeting is that Mrs. McKenzie and I are very proud of the cattle we are going to offer and equally proud of the farm which these cattle have helped us to maintain. We hope you will be with us at Britomac Farm on September 28th.

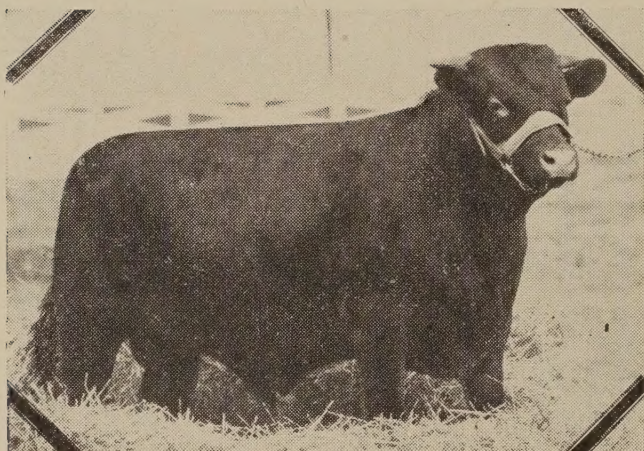

CARL D. MCKENZIE.

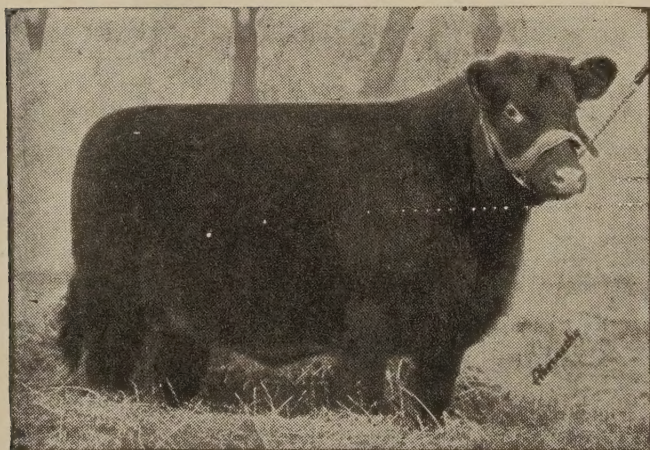

## A Story in Pictures From Britomac Farms

This is Sni-A-Bar Nonpareil Gem by Paymaster Stamp. We bought her from Sni-A-Bar after she had won as a summer yearling. She had been bred to the great sire, Imp. Millhills Jasper. The resulting calf was Britomac Jasper, used with great success in our herd and one of the greatest bulls ever dropped on an Illinois farm. We had this grand cow bred again, this time to Imp. Reigning Sovereign. The result—Britomac Challenger—and we used him with equal success.

At the left is shown Britomac Jasper's Nugget, a son of Britomac Jasper that now heads the J. V. Martin herd at Alva, Oklahoma. They report that he is doing a wonderful job.

At the left is Britomac Ruby 3d, a typical daughter of Britomac Jasper. She is now a valued member of the fine Elm Crest Herd at Pawnee, Ill.

# Hal Longley says...

I wish there were more herds like the Britomac Herd because such establishments are truly the backbone of our breed. Carl McKenzie has been much more than a multiplier of cattle. . . he has been a constructive breeder in every sense of the word. Never has he sacrificed quality for mere numbers. Always he has culled closely and held the herd to a size commensurate with the capacity of his farm. Early in his career he decided on a type and he has adhered to this type. His ideal was represented in the great cow, Sni-A-Bar Nonpareil Gem, a famous blue ribbon daughter of Paymaster Stamp whom thousands had admired in the show ring. After she was mated to Imp. Millhills Jasper, Mr. McKenzie bought her for the express purpose of intensifying her type in the Britomac Herd. She produced Britomac Jasper whose daughters in this sale will be admired by all who inspect them. Later, to the service of Imp. Reigning Sovereign, she produced Britomac Challenger, also used with success. Thus the type of Sni-A-Bar Nonpareil Gem. . . Carl McKenzie's ideal type. . . has been BRED INTO the Britomac Herd.

When we use the term "well bred" in cattle conversation we do not refer alone to the names of one of two prominent bulls. Instinctively we refer to the men who are named in the pedigree. To know whether an animal is "well bred" it is necessary to know whether the men responsible for her were careful planners . . . real cattle breeders and not just cattle multipliers.

Such a man is Carl McKenzie. When you find his name in a pedigree you may be sure the animal is "well bred." And the more times his name appears in the pedigree the more sure you may be that the animal will breed on unfailingly. His Britomac herd has been a source of great pleasure to him. They have helped him to pay for and improve the land upon which they have been maintained. I believe they will do the same for those who buy them in this sale.

Hal Longley of The Shorthorn World.

A group of the heifers that will be included in this auction. Most of them are carrying the service of the good imported bull, Morphie Command.

# Les Mathers says...

Morphie Command was imported by us and used in our herd before being sold to Carl McKenzie and Homer Page. The calves sired by him in our herd have been very nice, all with very good heads, all solid red and the right type.

Morphie Command is by the celebrated sire, Bapton Commando, he by Bapton Upright who was by Bapton Air Pilot by Calrossie Air Pilot, a direct line of sires which would be hard to duplicate. Morphie Command is also out of a choice dark roan daughter of Calrossie Victorious by Calrossie Souvenir by Calrossie Mercury—another line of breeding to further guarantee his potency.

Six bull calves in the 1946 crop averaged 1520 gns. at Perth and went into service in the best herds.

Morphie Command has a great head with an extraordinary muzzle. He is short legged, full quartered and on good heavy bone. When the prospective buyers see the young calves by him they are sure to appreciate the value of his services.

L. E. Mathers

### IMP. MORPHIE COMMAND

This is our present herd bull. We had great faith in him when we bought him and this faith has increased since the arrival of his first calves. They fulfill our fondest hopes in color, quality, type and character. We are very proud to feature his service on the females we are selling.

### BRITOMAC JASPER

We offer the get of this bull with a great deal of pride because they are the kind upon which successful herds may be founded. He was produced from the mating of Imp. Millhills Jasper with the great show cow Sni-A-Bar Nonpareil Gem. Twenty-four of the superb animals in this sale are by him. You may buy them with the utmost of confidence.

### BRITOMAC CHALLENGER

This bull was produced through the mating of Sni-A-Bar Nonpareil Gem, the dam of Britomac Jasper, with the famous imported sire, Reigning Sovereign. We had the misfortune to lose him recently but we used him liberally and his calves in this sale provide evidence that he was a truly great sire.

# SHORTHORN INTERNATIONAL

## The Swing is to SHORTHORNS

Not ONE — but THREE Consecutive International Grand Champion Steers Over All Breeds Under Three Different Judges!

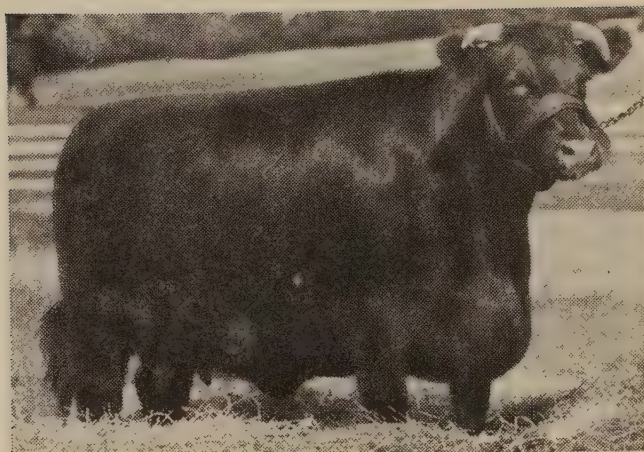

1. Shorthorns this year enjoyed their greatest year in steer triumphs in interbreed competition throughout the nation.
2. Demand for Shorthorn bulls for cross-breeding has been the greatest in modern history topped off by the highest record in bull sale averages in 30 years at the International Shorthorn Congress sale.
3. The average price for Shorthorns at auction in 1947 went up 24 percent.
4. New members in the American Shorthorn Breeders' Association hit a new all-time high of 2,333 in 1947. In six years Association membership has doubled over the entire number for all previous time up to that date.

Britomac Missie 28th—Another good daughter of Britomac Jasper selling well forward in calf. She was bred April 11 to Imp. Morphie Command.

Here is Britomac Farm where Shorthorn cattle have been a vital part of a well balanced farming program. We invite you to be with us at this farm on September 28th.

Featured in this sale will be the get of Britomac Nugget, Britomac Jasper and Britomac Challenger, three sires that have made history for the Shorthorn breed in Illinois. Also featured in this sale will be the service of Imp. Morphie Command by Bapton Commando by Bapton Upright. His first calves are here and they are excellent!

Nine head of the cattle in this sale are being exhibited on a strong 1948 fair circuit. Reports were available from only the first fair when this catalog was compiled. At the strong Champaign County Fair the nine Britomac entries won nine first prizes, both grand championships, first prize in the get-of-sire class and first on pair of females.

Britomac Primrose 13th is one of the top heifers in the sale both in breeding and in individuality. She will strengthen any herd. She sells open.

This unretouched snapshot was taken recently at the Mathers Bros. farm. It is their superb young herd bull Imp. Orchard Leader. Lot 42 carries his service. Note the bone and substance. No straw was needed to make him look short-legged.

Roan Lady—She is the kind we like to keep but the kind that will help us make a successful sale. She is a daughter of Edellyn Moray Mercury and is in calf since June 9 to Imp. Orchard Leader, one of the great sires in service in the Mathers Bros. herd. The calves by him in the Mathers herd are excellent and this heifer should produce a great one to this service.
